

Name: Duane Kaufman

Class of works: I am writing in support of Class #1 (Copy-Protected CDs):  
Sound recordings released on compact disc ("CDs") that are protected by  
technological protection measures that malfunction so as to prevent access on  
certain playback devices.

Summary:

Disc name: Natalie Imbruglia's White Lilies Island

I purchased this CD and it would not play properly in my Pioneer PD-5700 CD  
player. If I recall correctly, the player detected no songs on the CD, and  
when I pressed the 'play' button, it wouldn't do anything (which made sense,  
since it didn't detect any tracks). I returned the CD, and did not re-  
purchase.
